TAKE TIME FOR TOTS DAY

Saturday, March 25

10:00 a.m.-Noon

AT SKRC

Free Event

Please join us for a morning full of activities for families with young children.

ROSE PEST SOLUTIONS will be here on Friday, March 17 to spray for insects. Transport Mikron will be used at the main entrance, mechanical rooms and public washrooms. Advion Ant Gel will be used in the classrooms if needed. Catchmaster Glueboards will be used in the boiler room and in closets/cabinets where there is no access by children.

FYI: Environmental print is an important early reading concept. Your preschoolers are probably starting to recognize words in the environment such as EXIT, STOP, TARGET, PIZZA etc. When you are out and about make a game of picking out letters and simple words. When at home help your child make signs for around the house, such as Jimmy's Room, Toy Room, Kara's Tower etc.

SPRING BREAK REMINDER: No school Monday, March 27 through Friday, March 31. School resumes April 3.
