

April Newsletter
Senior Kiddie Campus Room #5
Miss Amanda, Miss Erin, and Miss Allyson

Welcome back from spring break. I hope everyone enjoyed their time off. It's hard to believe that spring is here already! I can't believe our time together is almost over.

Favorite Activity:

During Dr. Seuss week we read many of his books and the children were excited to make up their own silly rhymes after hearing all the rhyming from his books. One table game that the children enjoyed playing was where they rolled the dice and whatever number they rolled that's how many white strips they had to put on the red Cat in the Hat "hat".

During St. Patrick's week, we built Leprechaun Traps using magna tiles, wooden blocks, and items to lure it to the trap. The children had a blast looking around to see if a leprechaun was in our room. We also sang a fun shamrock song and played table games where we had to count shamrocks.

For story writing we asked the children where they would hide their gold if they were a leprechaun. We heard some really good answers!

Thank you to everyone who brought in bottle caps from home. We were able to sort them by color, by size, and make patterns with them too.

What's Ahead: April themes are: More Spring Fun, Earth Week, Animals, and Ocean Theme

Field Trip: We will be going to Cosley Zoo on April 17th (MWF classes) and April 25th (TThpm class). Permission slips will be sent home soon.

Show and Tell: We will have show and tell on April 10th and 11th. Bring in 1 item that is recyclable. We will discuss recycling and the children will have a chance to put their item in our recycle bin.
