Lombard Park District Mission Statement

The mission of the Lombard Park District is to provide people with quality recreation opportunities to enjoy life.

About the Staff

Our counselors are mostly college level students, and some education professionals with unsurpassed energy and camp spirit. Many counselors return year after year to help create an exceptional summer atmosphere for your camper.

Parent Orientation

An informational parent meeting for Day Camp will be held on Wednesday, May 25 at 6:00 pm at Sunset Knoll Recreation Center. Parents who have children signed up for Day Camp will be able to pick up their campers t-shirt and Emergency forms, which must be filled out and handed in before the camper's first day. For additional information, visit lombardparks.com.

Medication

The camp staff needs to be notified of any medications your child may need to take during the summer program. A release form is attached to this packet and must be signed and returned by a parent/guardian for medications to be issued. Medications should be sent in the original container and has to be a prescription. Staff will use a medication log when dispensed. Self-carry inhalers are allowed when proper forms have been filled out.

Emergency Care and Forms

Participants will receive a Day Camp emergency form (attached to this packet) that is to be completed and returned at the time of registration. If registering online, the emergency form must be handed in to Sunset Knoll before the first day of camp. If there are any changes, please notify the Site Supervisor or Program Manager. Your child's Camp Counselor and Site Supervisor will have this form on them at all times while camp is in session.

In the event your child becomes ill or injured while attending camp, the following actions will occur:

1. Parent will be contacted and will be asked to pick up their child if necessary. If the parent can't be reached, the emergency number(s) provided will be called.
2. Basic first-aid will be applied for minor injuries.
3. For serious injuries, staff will contact local paramedics and notify parents or emergency contact. If it is impossible to reach the parent/guardian, paramedics will take the child to the nearest medical facility.

All participants are expected to exhibit appropriate behavior at all times. The following guidelines are designed to provide safe, enjoyable activities for all participants.

Campers should adhere to the following:

- Show respect to all campers and staff.
- Take direction from staff.
- Clean up after themselves.
- Refrain from abusive or foul language.
- Refrain from causing bodily harm to self or others.
- Show respect for equipment and supplies.
- All personal electronic equipment should be left at home. This includes, but is not limited to iPods, tablets, hand-held games, cell phones, etc.
- Campers are to inform a staff member when being disturbed or taunted by other campers.

Discipline

A positive approach is used when disciplining. If inappropriate behavior occurs, staff will develop a solution specific to each situation. Lombard Park District reserves the right to dismiss a participant whose behavior endangers the safety of him/herself or others. We follow a systematic approach to discipline.

1st Offense: Verbal warning

2nd Offense: Loss of privileges and parent notification

3rd Offense: Parent meeting/removal from camp if needed

Camp Arrival & Dismissal

We ask that each camper be dropped off and picked up inside the building so that staff may have the opportunity to become familiar with each camper's form of transportation. A parent sign-in/out procedure has been established at the site. Sign out is required at the end of each day. Your child will not be released if this procedure is not followed.

Your child will not be allowed to leave camp with anyone not listed on the Emergency Information Form. All information is kept confidential.

If your child will be arriving to camp late or departing early, please inform the Site Supervisor by a written letter and arrangements will be sent with the counselors. If someone else will be picking up your child, please inform the Site Supervisor in a written letter (name must appear on Emergency/Information Form). They will then note this in the sign-out book.

WHAT TO BRING ON POOL DAYS

- Camp t-shirt
- Towel
- Water bottle

JUNIOR CAMPERS

Junior Camp will be meeting at the Lombard Community Building (433 E. St. Charles Road) on Mondays & Wednesdays. See page 6 for complete listing of pool days. Camp will visit Paradise Bay Water Park in the afternoon. Entrance for camp are the sliding doors at the Community Building. Signs will be displayed to show you where the Day Camp entrance is.

During pool visits at Paradise Bay, campers are assigned to a Counselor and are expected to stay with the Counselor during the entire visit to Paradise Bay Water Park. Counselors will be responsible for their group and will inform campers to stay by them the entire time. Counselors assign bathroom breaks, concession breaks, and swimming breaks with their groups. All campers are expected to adhere to the assigned breaks and changes will be made if necessary. If a camper does not adhere to the assigned breaks or rules, swimming privileges will be taken away for the rest of the day and parents/guardians will be notified.

Campers conclude their scheduled swimming time at 3:00 p.m. and will meet on the grassy area in front of Paradise Bay Water Park ready for pick up between 3:15-3:30 p.m. We ask you to wait outside the Water Park to pick up your camper. If you plan to pick up your camper prior to 3:15 p.m., staff should be contacted in advance to accommodate this request. On extremely hot days, campers will be waiting inside the Community Building for pick up. Please fill out the emergency/information form, which also tells us what pool level they are allowed to swim in. If pool levels are not clearly notified, camper will not be able to swim. Staff will group campers together with similar swimming abilities.

SENIOR/TEEN CAMPERS

Senior/Teen Campers have the opportunity to go to the pool additional days because Senior/Teen Camp is held at the Lombard Community Building. These additional pool days are a privilege to Senior/Teen Campers and can be taken away at any time based on cooperation, attitude, and general behavior.

During pool visits at Paradise Bay, senior campers are free to roam around the facility. Staff will be monitoring and supervising at all times. Check-in times will be assigned by the counselor. All campers are expected to adhere to the assigned breaks, and changes will be made if necessary. If a camper does not adhere to the assigned breaks or rules, swimming privileges will be taken away for the rest of the day and parents/guardians will be notified.

SWIM LESSONS

Swim lessons are now available only to Day Camp participants. The cost is \$4 per lesson or you can purchase eight lessons for \$20. Swim lessons will be held on Wednesdays from 8:30-9:10 am at Paradise Bay Water Park where Day Camp is scheduled every Wednesday during the summer. Once campers are done with swim lessons, counselors will pick them up from inside the water park and bring them to the camp. Additional registration is required for Swim Lessons.

Field Trips

Junior and Senior campers will be going on field trips every Friday. Teen Camp will be going on field trips every Wednesday. The field trip schedules are on pages 6 and 7. The field trip permission form is attached to the Camp Handbook or can be found at lombardparks.com. The field trip form only has to be filled out once and will be used for all field trips during the summer. The field trip form must be signed by a parent/guardian and handed in at the time of registration. If an emergency contact needs to be changed, a new field trip form must be filled out.

Field trip departure times may vary throughout the entire summer. Please make sure your camper arrives to camp on time. If camper is running late, please call the phone number that is assigned to your camp.

Please note that if Lombard Park District counselors and staff feel that a field trip facility is unsafe, counselors have the right to leave the facility and cancel the rest of the field trip for the day.

Campers may bring money for gift shops, etc. It is not always guaranteed that we will stop at the gift shop on trips. Money should be in a labeled envelope with camper's name and amount of money enclosed. Camp staff is not responsible camper's money or belongings.
