

News From Room # 5- Miss Amanda and Miss Erin

It is hard to believe that this school year is coming to an end this month! We've had a wonderful year getting accustomed to a daily schedule, trying new things, learning new things while having fun, and making new friends. I wish everybody a safe and enjoyable summer and good luck next year if we don't see you!

Favorite Activity:

The children had fun reading the story Chicka Chicka Boom Boom and listening to the song on our I-Pad. The children then made coconut trees like the one in the story. They were able to choose which letters to glue on and as they were putting them on we helped to identify the letters. We encouraged them to put on the beginning letter of their name also.

Over the course of the year the children have enjoyed learning new songs, dancing, painting and making projects, putting together puzzles (which have gotten more difficult as the year progressed), learning the letters of their name, and seeing what was in the sensory table each week. Miss Erin and I have enjoyed watching them explore, learn, and grow this year!

Mother's Day: On Thursday, May 11th at 11:10 please join us for a short celebration with songs and gifts for our moms. If anyone is interested in bringing a special snack for afterwards (store bought, peanut free) please let me know ahead of time, thanks.
