

News From Room # 5- Miss Amanda, Miss Erin, Miss Allyson

We have had a wonderful year trying new things, learning new things while having fun, getting to know everyone, and making new friends. I wish everybody a safe and enjoyable summer and good luck next year in Kindergarten!!

Favorite Activity: During Earth Week the children enjoyed bringing in their item to recycle. We learned what it means to recycle and what the symbol looks like. We had fun walking around the building to count how many recycle bins there are. I believe we found 8! The children had a blast playing "Feed the Shark" during Ocean Week. They had to try throwing bean bags into the mouth of a shark to feed him. In the area of Math we have been measuring pictures of Farm Animals and toy animals with unifix cubes and tape measures. The children liked measuring other things too around the room!

Graduation Pictures: On Monday, May 1 and Tuesday, May 2 Miss Amanda will be taking individual pictures of each child that will be part of their graduation booklets. We will not have any messy art that day so if you would like to dress your child in dressy clothes you may.

Mother's Day Celebration: On Thursday, May 11 at 3:00; Friday, May 12 at 11:00/3:00 please join us for a short celebration with songs and gifts for moms. If anyone is interested in bringing in a special snack (store bought, peanut free) for afterwards, please let me know.

Graduation Night: Thursday, May 25 is our graduation ceremony for all my classes. Please drop your child off in Room #5 at 6:15 pm. The gym doors will open at 6:15 and the ceremony will start **promptly** at 6:30. Refreshments will be served afterwards.
There is no limit to how many family members attend, but please be reasonable and respectful.

Graduation Picnic: Our picnics will be held Thursday, May 25 from 12:30-2:30 (TTHclass) and Friday, May 26 from 9:30-11:30 for both the MWF am and pm classes at Madison Meadows sheltered picnic area. The teachers will provide games and activities. Parents please provide lunch for your children. All children attending the picnic must be accompanied by a parent. If this is not possible, please arrange for another parent or adult to be responsible for your child.

Upcoming Themes: How Plants Grow, Mother's Day, and Graduation Prep/Graduation.
