

Room 3 – May Newsletter  
Miss Andy, Miss Laurel & Miss Mamie

Wow! It now seems as if our year went so quickly. This is our last newsletter for the year. Our last day of school will be on Wednesday, May 24th and Thursday, May 25th.

Some of our April Favorites: We had fun talking about the signs of Spring this month: Bunnies and Chicks and Itty Bitty Bugs were favorites. We liked practicing our cutting skills by making grass with the paper & scissors in the sensory table. We practiced patterning by using bug shapes to tell our teacher what comes next in the pattern. We also used our fine motor skills when we made our bead caterpillars. Farm Week had us talking about jobs on the farm and what farms produce for our families. During Earth Week, we talked about the little things that we can do to help save our Earth. We also talked about what we love about the Earth. We had a great time on our field trips to Willowbrook Wildlife.
