

**Campus News
May 2017**

It is hard to believe the end of the school is drawing near. Please refer to your child's classroom newsletter and calendar for a schedule of special events.

Parent Volunteer: We would like to thank all of you for making our parent volunteer program such a success. Your time and talents are appreciated not only by the children, but also by the teachers.

Rose Pest Solutions: Rose Pest Solutions will be here on Friday, May 19 to inspect Sunset Knoll Recreation Center. The facility entrances doors will be sprayed with Transport Micron to target general pests. If needed, Advion Ant Gel will be used for ants.

Evaluation Forms: Please take the time to complete the evaluation forms you will be receiving in the next couple of weeks. Your input is very important to us.

Kiddie Campus 2017-18 school year openings: We have openings in some classes for Senior and Junior Kiddie Campus for next year. If you are interested, please see Nanette for availability of the classes.

Last Day of School:

Monday/Wednesday Classes	Wednesday, May 24
Tuesday/Thursday Classes	Thursday, May 25
Monday/Wednesday/Friday Classes	Friday, May 26

Kindergarten Readiness: The skills kindergarten teachers identify as the most important for starting school are: following directions, taking turns, cooperating and feeling confident. Don't create drills to master these, but do incorporate more routines into your morning, practice following directions, increase play dates for exposure to taking turns and cooperating, and be sure to point out accomplishments for feelings of confidence (Nick Jr. Family, May 2005).

For those of you who will be moving on to other schools we wish you all the best. For those of you who will be joining us again next year we look forward to seeing you in the fall.

HAVE AN AWESOME SUMMER
