 7. This subsection 5.01(d) is not applicable to applications for commercial activity Permits under sections 2.10 and 2.17 of this ordinance, permits for alcohol under section 2.02 and permits under section 2.34. For applications under sections 2.02, 2.10, 2.34 and any other section of this ordinance or any other District ordinance, rule, or regulation not involving the exercise of First Amendment rights, the District shall have at least two (2) weeks after receiving a permit application to review the application. However, the District reserves the right to take additional time to review any application. If the District determines that it will exercise this right, it shall notify the applicant within twenty-four (24) hours after the District's receipt of the application.
- (f) If the application is approved, the District shall issue a written permit to the applicant. If the application is denied, the District shall issue to the applicant written reasons for denying the application.

- (g) If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative that is acceptable to all parties. If an application under sections 2.08, 2.26 or 2.37 is denied, or the applicant is dissatisfied with such Permit as issued, he/she may appeal the decision to the Board within ten (10) days after the decision is rendered. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate court. All other decisions on the issuance of permits by the District are final.
- (h) Any permit granted by the District may contain lawful prerequisites to the issuing of the Permit and restrictions on the conduct of the permitted activity including without limitation: general liability insurance coverage; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the activity; a requirement that the persons involved in the activity obey or comply with all federal, state, local, and District laws, ordinances, rules, and regulations; time, duration, and location restrictions; restoration deposit; a written agreement by the applicant to fully restore any District property soiled or damaged by the activity; and, any reasonable restriction necessary for the efficient and orderly contemporaneous administration of the activity, other activities with a permit, and regular District uses, functions, programs, and activities.
- (i) Any person holding a valid permit issued by the District for use of District property shall take precedence for use of that District property over any person other than the District.
- (j) The District may make necessary changes or place necessary additional restrictions on any permit after it has been issued.
- (k) Violation of the terms and conditions associated with the permit may result in the suspension or revocation of the permit.

- (a) Except as provided in subsection 5.02(a)(1), every applicant for a permit shall acquire general liability insurance to protect himself and the District from liability resulting from his use of District property and provide proof of such insurance to the District before the District will issue a permit to an otherwise valid applicant. The District must be named on such policy as additional insured. Where possible, an applicant may acquire a rider to the District's insurance policy at the applicant's cost and expense in order to provide the required coverage. Applicants should contact the District's administrative office for more information.
 1. For activities involving the exercise of First Amendment rights, including without limitation parades, public gatherings, speeches and rallies, this requirement may be waived by the District if the applicant can demonstrate that he or his organization cannot procure general liability insurance or that the cost of procuring such insurance or acquiring a rider to the District's insurance policy is prohibitive.
- (b) Every applicant must execute and deliver to the District an agreement to indemnify and hold the District harmless from legal liability, property damage or injury to persons caused by the negligent or unlawful acts of the applicant or any member, volunteer, employee, agent, participant, or other person associated with the applicant or his group or organization during the permitted activity.

Section 5.03 Restoration Deposit.

- (a) A restoration deposit may be required for any permit. The District shall refund the deposit if the person responsible for the activity cleans any refuse caused or left by the activity or the activity's participants and restores District property to the condition it was in prior to the activity to the District's satisfaction. If the District is required to clean up or restore District property after the activity, the person responsible for the activity shall reimburse the District for all costs and expenses associated with the clean-up and restoration. The cost of the clean-up and restoration shall be taken from the restoration deposit. If there are any funds remaining after the clean-up and restoration costs have been subtracted, they shall be returned to the appropriate person. The responsible person or group responsible for the activity shall reimburse the District for any costs or expenses for the clean-up and restoration that exceed the amount of the restoration deposit, and the District reserves the right to pursue any and all legal remedies in order to collect such reimbursement.
