

## Campus News

For those of you who are new to our Kiddie Campus program this year this is our newsletter, Campus News. Included are highlights from each classroom, a schedule of upcoming events, a monthly calendar, and other information to help make you experience a happy one.

**PAYMENTS:** Please use your coupon books when making your monthly payments. This will keep your account properly recorded. If you have misplaced or never received a payment book, please let your instructor know and we will be happy to make you a new one. Just a reminder-In order to receive the earlybird discount, payment must be received on or before the due date (example: November's payment is due by the 15<sup>th</sup> of October). Please bring payments to the registration desk. Thank you.

**PRESCHOOL COORDINATOR E-MAIL ADDRESS: Miss Nanette:**  
[nanderson@lombardparks.com](mailto:nanderson@lombardparks.com).

**SUPPLIES:** Thank you for your very positive response to our request for supplies (we even got supplies that were not on the list ☺). We appreciate your generosity and will put the items to good use.

**ROSE PEST SOLUTIONS** will be here on Friday, October 20 to spray for insects. Transport Mikron will be used at entrance, mechanical rooms and public washrooms. Advion Ant Gel will be used in the classrooms if warranted. Catchmaster Glueboards will be used in the Boiler room and in closets/cabinets where there is no access by children.

**PARENT VOLUNTEER:** We love parent volunteers. If you would like to volunteer in your child's classroom, please let the instructor know when you would like to attend. Come spend 5 minutes, an hour, or the whole class time, whatever fits into your schedule. We are sure you will enjoy the time as much as the children do. There will be special events when your child's instructor will be looking for volunteers. If you are unable to spend time in the class, but would like to help out, perhaps you would like to make play dough (we would provide the recipe) or make a game for the class. Please Note: We are unable to allow siblings to accompany their parents.

**TOYS FROM HOME:** We recommend that the children leave their toys at home when they come to school. There is always the risk of losing or breaking the toy, which may be hard for your child to deal with, especially if it's something special.

**FALL FEST:** Please check your child's class newsletter and calendar for information regarding our Fall Fest celebrations. All celebrations will be held during the regular school hours. Families will be invited to attend for a time during class for special songs and treats (please check your class calendar for the time).

**PICTURE DAY:** Mitchell Studios will once again be taking pictures of the children on Tuesday, October 10 and Wednesday, October 11. Order forms will be sent home prior to this time to give you an opportunity to order the portraits.

**DEPARTURE LOG:** If someone we do not recognize picks up your child, please inform them to be prepared to present a picture identification card (drivers license, state ID card).

**CHARACTER COUNTS:** During the month of September our concentration was in the area of respect in regards to *Character Counts*. We encourage the children to use their kind words when talking with the other children and adults in the classroom. We also worked on respecting the classroom environment.

**MESSY ART:** Sometimes art experiences become very messy. We request that you send your children in clothing suitable for these types of activities. Washable paint is used and the manufacturers recommend that you *do not* pretreat.

**EXTRA CLOTHING:** Please send extra clothing in your child's backpack each day. Although we are unable to change your child, if he/she can change his/herself this would save a phone call home. If your child is unable to change his/herself and you cannot be reached, we will call one of your emergency contacts to come change your child into the clothing you have sent. For safety reasons we also recommend sending your child in gym type shoes.

**FIRE LANE:** Please help us protect our little participants. Do not park in the circle drive it is a **NO PARKING FIRE ZONE**. Please park in a designated parking spot when you are dropping off and picking up your child.

**CALENDAR/NEWSLETTERS:** Our Newsletters and Calendars can be found on our website, [www.lombardparks.com](http://www.lombardparks.com).
