

Miss Laurel & Miss Andrea's November Newsletter

Special Favorites: Once again we had some favorite things going on last month. We enjoyed finishing and then reading our shape/color books. We hope you enjoyed them at home and will continue to practice with them often. During numbers week we counted everything! We are getting very good at counting our calendar numbers. Apple week was another favorite. We liked making our apple trees. Pumpkin and leaf week was a hit with lots of fun things to do with the pumpkins and fall foliage. We also learned about Cats, Bats & Owls as well as having fun at our Fall Fest!

November Themes: Open Exploration; Being A Good Neighbor; Everything Sleeps, and Thankful Week, and Winter Magic

Special Dates: During our week of Being a Good Neighbor, we will be collecting items for the baby needs pantry. If you are able, please bring in a donation the week of November 6<sup>th</sup>. Suggested items are diapers, wipes, baby soap & shampoo, formula, diaper cream, etc. We will sort and graph these items before donating them.

Remember, there is no school on Wednesday, November 22<sup>nd</sup> and Thursday, November 23<sup>rd</sup> - Happy Thanksgiving!

October Birthdays: We hope that Max, Jasmine, Maryam, Armaan, Niklas, & Hitarth had a Happy Birthday!!

Parent helpers: Thanks to all of our parent helpers this month. Thanks to those that donated goodies to our Fall Fest. If you didn't get to sign up this time, we'll look to you for help during the holidays.

Family Fun Night will be on November 9<sup>th</sup> from 6:30-7:30 p.m. Please join us.

A few last things: Cold season is upon us. Please be considerate of classmates (and teachers), and keep your child home if they truly are not feeling well. We try to create a healthy environment at school with frequent hand washing, washing of toys and surfaces, and teaching your child to sneeze and cough into their sleeves. We teach them NOT to use their hands but sleeves to cough and sneeze into, so that germs don't land on the toys.
