

**Junior Room 5**  
**Miss Amanda and Miss Nancy**

It is hard to believe that this school year is coming to an end this month. It seems like just yesterday we met all of you on the first day of class. We have had a wonderful year getting accustomed to a daily schedule, trying new things, learning new things while having fun, and making new friends. I wish everybody a safe and enjoyable summer and good luck next year if we don't see you!

**Favorite Activity:**

The children had fun reading the story Chicka Chicka Boom Boom and listening to the song on our I-Pad. The children then made coconut trees like the one in the story. They were able to choose which letters to glue on and as they were putting them on we helped to identify the letters. We encouraged everyone to find their beginning letter to glue on too.

Over the course of the year the children have enjoyed learning new songs, dancing, painting and making projects, putting together puzzles (which have gotten more difficult as the year progressed), learning the letters of their name, seeing what was in the sensory table each week, building with blocks, and the dress up clothes. Miss Nancy and I have enjoyed watching them explore, learn, and grow this year!

**Mother's Day:** On Thursday, May 10<sup>th</sup> at 11:10 please join us for a short celebration with songs and a presentation of gifts. If anyone is interested in bringing a special snack for afterwards (store bought) please let me know ahead of time, thanks.

**Ice Cream Party:** On Thursday, May 24 at 10:45 we will be having an Ice Cream Party to celebrate the end of a great year! We provide the ice cream; you guys will provide the toppings and other goodies. More details and sign-up sheet for toppings will follow soon!

**May Themes:** The Ocean, Mother's Day, Bugs, and Ice Cream Party
