

Senior Room 5
Miss Amanda, Miss Ivana, Miss Anna

We have had a wonderful year trying new things, learning new things while having fun, getting to know everyone, and making new friends. I wish everybody a safe and enjoyable summer and good luck next year in Kindergarten!!

Favorite Activity: During Earth Week the children enjoyed bringing in their item to recycle. We learned what it means to recycle and what the symbol looks like. The children painted at the easel with blue and green so they could make a picture of Earth.

In the area of Math we have been measuring pictures of Farm Animals with unifix cubes and tape measures. The children liked measuring other things too around the room! We have also played counting games using The Ten Frame so the children get practice how many different ways you can add things up to make 10.

Graduation Pictures: On Monday, April 30 and Tuesday, May 1 Miss Amanda will be taking individual pictures of each child that will be part of their graduation booklets. We will not have any messy art that day so if you would like to dress your child in nice dressy clothes you may.

Mother's Day Celebration: On Thursday, May 10th (TTh class) 3:10 and Friday, May 11th 11:10/3:10 please join us for a short celebration with songs and a presentation of gifts to moms. If anyone is interested in bringing in a special snack (store bought) for afterwards, please let me know.
