

Campus News

October will be a busy time with many activities. Here is what is happening at Kiddie Campus this month.

Picture Day: Studio 95 will be here on Tuesday, October 9th and Wednesday, October 10th. Order forms will be sent home prior to this time to give you the opportunity to order portraits.

Fall Fest: Please check your child's class newsletter and calendar for information regarding our Fall Fest celebrations. All celebrations will be held during regular school hours. Families will be invited to attend for a time during class for a treat and special songs.

Payments: November payments will be charged October 22nd. When the 20th of the month falls on a weekend, the payment will occur the following Monday.

Toys from Home: Each classroom will have opportunities for show and share days and your child's teacher will let you know what to bring on those days. When it is not a show and share day, we ask that your child please keep their toys at home so they do not get lost or broken at school.

Messy Art: Sometimes art experiences become very messy. We request that you send your children in clothing suitable for these type of activities.

Extra Clothing: Please send extra clothing in your child's backpack each day. Although we are unable to change your child, if he/she can change his/herself this would save a phone call home.

Fire Lane: Please help us protect our little participants. Do not park in the circle drive it is a NO PARKING ZONE. Please park in a designated parking spot when you are dropping off and picking up your child.

Supplies: thank you for your very positive response to our request for supplies. We appreciate your generosity and will put items to good use.

Rose Pest Solutions will be here on Friday, October 19 to spray for insects. Transport Mikron will be used at entrance, mechanical rooms and public washrooms. Advion Ant Gel will be used in the classrooms if warranted. Catchmaster Glue boards will be used in boiler room and in closets/cabinets where there is no access by children.
