2019-2020 KIDDIE CAMPUS REGISTRATION: The lottery registration was completed February 6 and all postcards confirming your registration have been sent. SPOTS STILL AVAILABLE: 2019-2020 registration is underway. Spots are still available in some classes. Please contact Karen Stanley if you or someone you know is interested in attending Kiddie Campus.

VISION/HEARING SCREENING: The DuPage County health department will be here March 5 and 6 to conduct vision hearing screening for each child that attends Kiddie Campus preschool. If you miss these dates, they will be here for rescreening on March 20.

ROSE PEST SOLUTIONS: will be here on Friday, March 15 for their monthly inspection. Transport Mikron will be used at the main entrance, mechanical rooms and public washrooms. Advion Ant Gel will be used in the Boiler Room and in the closets/cabinets where there is no access by children.

DID YOU KNOW: Environmental print such as STOP, EXIT or Target, is an important early reading and writing concept. When children begin to recognize these signs they are beginning to understand that letters make words and print has meaning. When at home help your child make signs for around the house, such as: Jenny's Room or John's tower. Remember to demonstrate writing, so they see how letters are formed.

SPRING BREAK : No School Monday, March 25-March 29. Classes resume Monday and Tuesday, April 1 and 2. Enjoy time with family.

COLD AND FLU: Please remember cold and flu season is still upon us. To ensure the health of all children and families a child needs to be free from symptoms of fever, diarrhea or vomiting for 24 hours before returning to school. If they have a cold less than four days old or heavy nasal discharge they need to remain home. If they don't look well, an extra day of rest is best, so they do not pick up something else when their immune system is low.

TUITION PAYMENTS: Tuition payments will be charged on March, 20 2019. Please remember to update any compromised or expired cards that have needed replacement. You can update information at the registration desk or by requesting a new form from Karen Stanley.
