

**March Newsletter Room 3
Ms. Andrea & Ms. Laurel**

Special Favorites: We are just so busy and our days are filled with many adventures. It is so much fun for us as teachers to see your children changing and growing. They really are learning to play together and can often busy themselves without much direction from us. Our favorite February activities included rhyming Dr. Seuss and Chicka chicka and all of those crazy letters. During dinosaur week, we did a Dinosaur stomp and made dinosaurs with bubble wrap. Of course Valentines week is always fun! We liked making our secret valentines and putting them into the mail for you! We hope you liked getting your special mail! We have done all kinds of sorting games on our activity table and had some neat stuff in our sensory table.

February Birthdays: Grace, Sofia, Safiyyah, Kendall and Dea. Hope you had a great day!

Vision and Hearing screening will be on March 5th and 6th during your child's class times. We are sending home Preschool Vision and hearing pamphlets with the children. Please read the information and help your child practice for the screening! We will also practice during class time.

Class Books: The children are always excited for their turn to bring things home from school to share with you. Please remember to read our books with your child and return them **THE NEXT CLASS TIME**, so that everyone will be able to have a chance to share. Also if your child has not had the **ALL ABOUT ME BAG** yet, please remind them everyone will get a turn. If your child has the bag, please return it **THE NEXT CLASS DAY!** Thank you!

March themes: Space Adventure, Rainbows/St. Patrick's Day, and open exploration.

Scholastic Book Club: Parents please help our classroom by ordering books through Scholastic! If you order online, you can get a free book and the prices are cheaper on the website.

REMINDER: Class starts at 9:00 a.m. and 1:00 p.m. We want to make sure your child is not missing opening time, which is an important opportunity to develop language, listening and fine motor skills. Please try your best to get here on time! Thank you!

Spring Break will be March 25th – 29th and classes will resume on April 1st!
