

Miss Karen and Miss Anna  
Room 1 News

In February we had so much fun making special Valentine's for you. We practiced our addresses and learned about how to mail a letter. We hope you received your special Valentine in the mail.

Grove Dental came to visit and talked to us about how to take care of our teeth. It was a great presentation that coincided with our community helper unit. The children worked diligently, cutting, coloring, gluing, painting and writing to make the community helper books. Hope you are enjoying reading them together.

In the month of March we will celebrate Dr. Seuss' Birthday by reading books and doing some fun projects to go with this unit. One day we will even make green eggs and ham. Will they like them? We will see. After eating them we will vote yes or no to green eggs and ham and calculate our results. We will also spend time in the pond learning about the life cycle of a frog and what other creatures live there.

**Literacy**

**The Cat in the Hat**- Dr. Seuss  
**Wacky Wednesday**-Dr. Seuss  
**Green Eggs and Ham**-Dr. Seuss  
**-In the Small, Small Pond**-Denise Fleming  
**-Jump Frog, Jump!** Robert Kalan  
**-Life Cycle of a Frog**  
**-Turtle Splash!**-Cathryn Falwell  
**-Life in the Pond**-Craig Hammersmith

**Dates to Remember**

**March 5 and 6**- Vision/Hearing Screening  
**March 14 and 15**-Show and Tell  
**March 25-29**-Spring Break  
**Enjoy!**

Remember to continue practicing those self- help skills at home. It is important that your child learn to put on all outdoor clothing to foster self-confidence, and independence.

**Show and Tell**

**March 14 and 15 please have your child bring something that is their favorite color.**
