

MEMORIAL TREES

The Lombard Park District initiated its Memorial Tree Program in 1974 to provide people with the opportunity to plant memorial trees for their loved ones and to commemorate events and occasions.

TYPES OF TREES

All selections are subject to approval by the Park District. The cost of trees varies according to season and tree size. As a result, most prices are given as a range. The actual price is determined by what is available at the nursery. For more information or to check availability, call (630) 629-3344.

Tree	Size at Planting	Cost
Oak	2.5" Caliper	\$275-\$375
Ginkgo	2"-3" Caliper	\$325-\$475
Riverbirch	2.5" Caliper	\$305
Magnolia	5'-8'	\$195-\$245
Catalpa	2.5" Caliper	\$275-\$300
Redbud	2"-2.5" Caliper	\$275-\$320
Dogwood	6'-8'	\$225-\$300
Fir	6'	\$220-\$240
Spruce	6'	\$220-\$275
Arborvitae	5'-7'	\$175-\$235

Large Growing Ornamental Shrubs

	Cost
Cephalanthus (Buttonbush) Sugar Shack	\$75
Cotinus (Purple Smokebush)	\$65-\$190
Hamamelis (Witchhazel) 4'-7'	\$110-\$235
Heptacodium (7 Son Flower) 6'	\$245

COMMEMORATIVE BRICKS

Memorial and commemorative bricks may be placed at the base of a tree with prior Park District approval. The Park District supplies and installs the bricks, but is not responsible for lost or damaged bricks.

PLANTING TIMES

Because tree availability and optimal transplanting times vary based on the tree selected, the Park District will determine the best time to ensure proper growth and success of the tree. Generally, early spring and fall are good for planting times.

DISTRICT OBLIGATION

In the event that a tree dies within the first two years after planting, the Park District will replace it. After two years, a tree will only be replaced if a request is made by the person who made the original donation. If at any time the Park District must remove a healthy tree, the tree will be replanted in another location.
