Group Outing Information

About your visit

Thank you for choosing the Paradise Bay Water Park to host your event. Please read the following procedures to ensure your visit is as pleasant as possible. **Complete the group request form and return, with a certificate of insurance naming the "Lombard Park District as additionally insured" if you are a non-PDRMA member.**

General Staff Information

Here at the Lombard Park District we license our lifeguard staff through Jeff Ellis & Associates lifeguarding programs. The lifeguard staff undergoes rigorous training year-round in the form of continual in-service education and a yearly lifeguard certification course. Skills including in-water rescue, first aid training, emergency response, CPR/AED and uphold a preventative scanning structure at all times called the 10/20 protection standard. Occasionally throughout the year, Ellis & Associates will conduct random audits of our lifeguard staff to ensure the training implemented is up to industry standards. This is done in three steps; Unannounced video recording of lifeguard scanning abilities, announced, skill-based testing and an administration section. Lifeguards are responsible for the safety of everyone in the facility. They are in certain positions to scan the water, enforce safety rules and respond in emergency and first aid situations. **LIFEGUARDS ARE NOT BABYSITTERS.**

During the Visit

You are responsible for actively supervising your group. Participants should not be left unattended. Any damage to Paradise Bay Waterpark, property by a participant or group staff member, will result in your group being billed and potentially being denied from future group swim activity. Lifeguards are on duty to enforce rules and respond in case of an emergency; they are not babysitters. If pool management notices counselors/staff being inattentive to their participants, they will be warned once to be more vigilant. If a second offense occurs your entire group will be asked to leave the facility. There will be no refunds, credits, or proration if this occurs. Safety and supervision are taken extremely seriously at Paradise Bay Water Park. All counselors **MUST** be at least 16 years old.

Entry

All groups will enter the Paradise Bay from the back-perimeter gate marked on the facility map as “**Staging Area.**” Upon arrival please stage your group outside of the gate. Please send a representative from your group to the admissions counter and give the cashier your group name. A Facility Supervisor will meet you on the other side of the perimeter fence.

1. The Facility Supervisor will read your group a safety speech highlighting the rules and regulations of the facility.
2. The Facility Supervisor will ask the Group Leader to sign an acknowledgement that they understand all rules and regulations of the facility.
3. The Facility Supervisor will take a head-count of all participants and leaders to ensure adherence to the proper safety ratios are met.
4. As the head count is being conducted please identify any seizer prone or non-swimmers.
5. After the head-count is complete, the swimmers may utilize the facility. If your swimmers require a swim test, please inform the Pool Supervisor at this time.
6. Swim tests will be performed by the group entering the facility and will be supervised by the Paradise Bay staff. We will not determine the swimming ability of your participants.
7. **Full payment is required at the time of the event. If payment is not made, the group outing will be canceled.**

Visit Conclusion

When it is time for your group's scheduled departure, your group leader may ask the Facility Supervisor to make an announcement for all of your participants to meet at the staging area of your choice. You may exit through the locker rooms or from the perimeter gate. If you have any questions regarding your visit, please feel free to contact me at the information listed on page one of this document.

Inclement Weather

If Paradise Bay closes due to inclement weather, you will have the choice of refunding your event or rescheduling it. Lightning and Thunder

Lombard Park District will not open the pool while Lightning and Thunder are around. 30 minutes will have to pass since the last evidence of lightning and/or thunder to reopen the facility. If lifeguard staff notices lightning in the area, a lifeguard will blow one long whistle and point to the sky. If the sighting is confirmed, the lifeguards will stand up and repeat the sequence, and the pool deck will be cleared immediately until the signs of lightning and/or thunder have passed. When clearing the deck, listen to staff directions. You may enter Bathhouse or, with adult supervision, exit the facility.

Transportation

The Paradise Bay Water Park has a circle drive in the front of the facility. Buses, Vans, cars and/or any other vehicle can pick up and drop off in this area. This can be a high traffic area at popular pick up and drop off times. Please spend as little time as possible in the circle drive. You may park in any of the parking lots surrounding the facility but we ask that you park to the west of the facility along Edgewood Ave. or St. Charles Pl. If you are using a vehicle that takes up multiple parking spots, please park farther away from the main buildings of the Paradise Water Park.

Lunch/Food

Paradise Bay Water Park does not provide meal plans for incoming groups. You can bring your own lunch to the facility and eat it at any of our surrounding parks and/or pavilions within short walking distance. Outside food is not allowed and cannot be brought into the actual facility. You may bring in water and medicine that can be kept in coolers. We also have a concession stand which you and your groups can purchase food from. All food purchased from the stand must stay in the concession stand area.
