SUMMER DAY CAMP

(Entering Grades 1-6)

Tentatively July 6 - August 14

Summer Day Camp will more closely resemble our standard summer camp program. Participants will still be grouped by age and/or school; however, groups will be larger for a more social and interactive experience. There will not be any field trips or aquatic trips. Campers will enjoy sports, games, virtual field trips, arts, crafts and more. Those needing care prior to 9:00 am and after 4:00 pm will need to register for Sunrise and Sunset Camp. Location will be determined based on registration numbers. Camp may be held at Lombard Community Building, Sunset Knoll Recreation Center, Lombard Lagoon and Lombard Log Cabin.

MASKS AT CAMP: Lombard Park District camps will do their best to create environments where children are free to play and enjoy their summer without the use of a mask, but there may be times where it is required.

Please note: all children will be required to wear a mask when social distancing measures cannot be obtained. Participants will be expected to come to camp with a mask.

REGISTRATION: Registration should always be done online, when possible. If you need to set up a Lombard Park District online account please email info@lombardparks.com and our front office staff will work to get your account set up. If online registration is not an option, in-person registration will be accepted at Sunset Knoll Recreation Center, once the facility reopens (reopening date TBD). Prior to that, you may fill out a registration form available at lombardparks.com and drop off the registration form at the SKRC dropbox located outside Door #1.

REGISTRATION DEADLINE: The registration deadline will be the Wednesday prior to the week your child is registering for. Late registration may be accepted if capacity has not been exceeded, but will be subject to a \$15 late fee per child. Once the registration deadline has passed, all late registration requests must be sent to Katie Manheim at kmanheim@lombardparks.com for approval.

TEEN CAMP & CIT: Due to restrictions on field trips, aquatic facility visits and restrictions on transportation of participants, Lombard Park District will not operate a Teen Camp this summer. We will offer our CIT (Counselor in Training) program for those entering grades 7-8. Campers will be assigned to assist counselors with running games, arts, crafts and more! CIT's are expected to be leaders to the younger campers and set a positive example. Spots in the CIT program will be extremely limited. If your CIT needs morning and/or afternoon care, you must register them for Sunrise and/or Sunset Camp. CIT is only available as a Monday through Friday option.

SUNRISE & SUNSET CAMP: Sunrise and Sunset Camp is for campers who need to be dropped off or picked up outside of the normal 9:00 am - 4:00 pm camp hours. Sunrise Camp begins as early as 7:00 am and Sunset Camp stays open as late as 6:00 pm. Both Sunrise and Sunset Camp will be held at your child's assigned camp site location.

CAMP OPTIONS: Lombard Park District's Day Camp prides itself on offering flexibility when it comes to your summer day camp needs. However, given the current circumstances, only the below options will be available in order to ensure the safety of campers and staff. There will not be a Pick Your Day (PYD) Option for Day Camp this year.

Two-Day Option: Campers may attend camp on Tuesday and Thursday.

Three-Day Option: Campers may attend camp on Monday, Wednesday, Friday.

Five-Day Option: Campers may attend camp Monday through Friday.

Full Summer Option: Campers may attend camp Monday through Friday from 07/06 - 08/14.

CAMPER INFORMATION FORMS: Once registered, you will receive an email with information requesting you to fill out an ePACT form. ePACT is a secure emergency network that will be used to collect medical and emergency contact information electronically. ePACT information must be completed before your child's first day of Day Camp.

Please note: paper forms will not be accepted or provided for Day Camp this year.

Please note: dates are subject to change. Visit lombardparks.com for up-to-date information on our summer programs.

WHAT TO BRING TO CAMP: Due to safety concerns, participants will need to adhere to the following guidelines:

- All participants should have a backpack that is clearly labeled with their name.
- Lunches should be in a disposable container.
- Water bottles should be reusable and clearly labeled.
- Participants must bring their own spray sunscreen (participants must have sunscreen applied prior to camp drop-off).

Please note: personal items will not be allowed (stuffed animals, electronics, etc.).

In addition to the above, campers are asked to provide some of their own arts and craft items. Please provide your child with a pencil case for camp filled with the following labeled items:

- Markers
- Crayons
- Pencils
- Glue Stick
- Bottled Glue
- Scissors

Please note: campers will only use their own personal supplies during arts and crafts times. Any other supplies will be provided and sanitized properly before their use. Campers' supplies will be stored throughout the week and returned at the end of the week if the camper is not returning for the following session.

LOST & FOUND: Every year, the Day Camp lost and found gets very large. Please label your child's belongings with their name to make returning items easier. To ensure the safety and health of campers and staff, lost and found items will only be kept for 48 hours. Please ensure you are checking your child's backpack daily to make sure belongings are returning home with them.

PICK-UP & DROP-OFF PROCEDURES: In order to safely operate Day Camp drop-off and pick-up, parents will be asked to drop-off or pick-up during specific timeframes. At registration, registrants will be asked to indicate the best 15-minute window for pick-up and the best 15-minute window for drop-off. Your confirmed timeframe will be communicated to you and include your child's camp site on the Friday before their camp begins. We ask that the same individual pick-up and drop-off their camper every day, when possible.
