**Lombard Park District- Meadowlarks Quilt Club Gives Back!**

Each Friday morning, our Meadowlark Quilters are working hard to give back. From 9am-12pm at Sunset Knoll Recreation Center (820 S. Finley Rd. Lombard), these crafty women are doing what they love to do. The Meadowlarks make quilts and other necessities for hospitals, NICU units, Ronald McDonald Homes, Health Department and Homeless Shelters.

This group is always looking to welcome new faces! All seniors and active adults are invited to join in on the fun each week. For more information or want to join, give us a call: 630.620.7322.

In the photo, the Meadowlarks are working on a project for the York Township Senior Center!
