PROGRAMS TO HELP YOU

# enjoy life

Lombard Park District is excited to offer new, interactive and educational outlets during the stay-at-home order. The District is determined to find new opportunities that provide the same elements of participation and fun that our patrons are used to experiencing through traditional programming.

**VIRTUALLY.**

## REGISTRATION

Registration is now open on [lombardparks.com/register](https://lombardparks.com/register) for virtual programs and classes throughout the month of May. Classes will be held virtually via Zoom.

## REGISTRANT INFORMATION & EMAIL ADDRESS

Registration for virtual programs will be available online-only, as many of our facilities remain closed. Before registering, please verify that your email address is correct in your account. Program managers will send program access links and important information to the email provided. If you need help registering online or creating an account, please email us at [info@lombardparks.com](mailto:info@lombardparks.com).

## HELPFUL TIPS WHILE ENJOYING VIRTUAL CLASSES

- Close out of other apps and open tabs while using Zoom.
- Keep your microphone muted unless communicating with the instructor to ensure good audio quality for other program participants.
- If using a laptop or mobile device, make sure that it is fully charged.
- Check to see that your device is up-to-date, pending updates can reduce connection speeds.
- Limit the amount of devices using the same internet connection.
- Disconnect from any VPNs.

## BALLOON ANIMALS

(Ages 5-12)

Professional balloon artist Gary Kantor introduces a 45-minute online class that teaches children the techniques needed to take plain balloons and transform them into incredible balloon animals - dogs, butterflies, fish and more! Watching these online videos will help children create their own balloon animals as Gary walks through each step in the process. This class isn't just for the kids! Parents will have a blast if they join in the fun. Sign up multiple times as we will make different animals each session. **Please note:** participants will need their own balloons and pump. Pumps and balloons cost about \$13. Information on places to purchase these will be provided upon registration.

## MARVELOUS MAGIC

(Ages 5-12)

Professional magician Gary Kantor is now teaching his popular magic classes online! These 45-minute online classes teach kids how to perform a number of mind-boggling tricks using everyday household items. Gary will start by explaining the secrets to the tricks, then both Gary and class participants will practice everything in detail. Kids will have a blast as they learn exactly what to say and do while performing in front of a live audience. Since this class is online, it can be taken whenever and the videos can be watched multiple times. After registering for the program, you will receive an email with the course link and supplies needed.
