

Room 3 November Newsletter

Special Favorites: Once again we had some favorite things going on last month. We enjoyed making our shape/color books and hope that you have enjoyed them at home and will continue to practice with them often. During numbers week, we counted everything! We are getting good at counting our calendar numbers! Pumpkin and leaf week was a hit with lots of fun things to do with pumpkins and fall foliage. We also learned about cats, bats, & owls.

November Themes: Open exploration with scarecrows, Everything sleeps, Being a Good Neighbor, and Thankful Week.

October Birthdays: Jakub, Marty and Frank we hope that you all had a wonderful time on your special day!

Family Night: We will have a special take home activity for this year's family night. Please look out for more information soon!

Pick-up/Drop Off: Parents: Please make sure that you are wearing a mask that covers your MOUTH AND NOSE at pick-up and drop off. Also, please make sure that your child has an extra mask with them for every class. Please remember to have your own pen ready at pick-up time THANK YOU!

Bathroom: Please have your child use the bathroom BEFORE you are ready to leave for school. This will help us to have more time for activities! Thank you!

NOTES: Please remember there will be NO SCHOOL on Wednesday, November 25th, Thursday, November 26th, and Friday, November 27th. Thank you to all of our families that brought in items for our Fall Fest!

With the weather changing, please have a weather appropriate change of clothing in their back packs and if they wear boots of any kind please put a pair of gym shoes in their bags to change into at school. It is hard for the children to run and move around in bulky boots. They will also need hats and gloves with the change in the temperature. Thank you!

It is cold and flu season and Covid is still around, so please keep your child at home if they are showing any signs of sickness. Thank you for helping us keep everyone healthy!
