

**Ms. Andrea & Ms. Laurel
Rm. 3 Newsletter**

Welcome back! We hope you enjoyed your time at home with your family during the holidays. It is hard to believe that January is here already!

Special Favorites: There were so many things that happened in December! We saw the season start to change and looked forward to the coming snow. We learned about one boy's adventure in **The Snowy Day**. We made melting snowmen and it was fun to guess what snow people do at night. We practiced very hard on our holiday songs and we hope that you enjoyed our special surprise as well as the special gifts we made! Thank you all so much for the treats you brought in and the generous gifts that you showered upon us!

January Themes: Mittens, Our Five Senses, Community Helpers, and Penguins/Open exploration.

December Birthdays: We hope that Matthew and Byron had a wonderful birthdays!

Class Books and All About Me: Class books will begin to circulate through the children and we will also begin an All About Me Bucket. **Please return these to school with your child the next class time to ensure that everyone will get a turn.**

Reminders: Please dress your child with hats, mittens, and boots, in case we try to take a short walk outside if the weather permits. If your child wears boots to school, please have a change of shoes in their backpacks for them to change into. Shoes are required in the classroom for your child's safety and in order for them to sit and play comfortably.
