

Kiddie Campus News

Welcome back! We hope you enjoyed your time home with your family during the holidays. It is hard to believe January is here and we are starting the second half of the school year.

Lottery Registration: The 2021-22 Kiddie Campus applications are available for pick-up from your present instructor or online at Lombardparks.com under Kiddie Campus, starting Monday, January 4. Kiddie Campus classes are filled by random draw, which is based on the returned application forms. The deadline for applications to be included in the random draw is no later than February 3, 2021 at Noon. Non-residents who are presently enrolled in the Kiddie Campus program for 2020-2021 may register during this period and will be included in the resident random draw on February 3.

Children who are enrolled in the 2020-2021 classes and have returned the 2021-2022 registration forms by Noon on February 3, are guaranteed a spot for next year. However, they are not guaranteed a specific classroom, teacher or time (a.m. or p.m.).

Time to get back in to the school routine: Three and Four year old children love to help and be responsible. Plan a routine each day where they are becoming responsible for making sure they have their bags and snow gear and are putting things together for school. It is important for their self-esteem that they feel that they are capable and giving them the sense of responsibility is a simple way to accomplish this.

A Few Reminders: If the temperature is 20 degrees or above with the wind chill, we will attempt to go outside. Please bring snow pants, boots, hats and gloves/mittens so that we are able to go out and enjoy some fresh air and especially the snow if we get some more this winter.

On days when your child wears boots to school, please send shoes in your child's backpacks. Shoes are required in the classroom for your child's safety and boots can be uncomfortable to wear in the classroom, especially while sitting at circle time and story.

Payment Reminder: February payments will be billed on January 20. Please remember to update any credit card information prior to this date, to ensure that tuition is paid and you do not receive the \$25 late payment fee.

ROSE PEST SOLUTIONS: Rose Pest Solutions will be here on Friday, January 15, 2021 to spray for insects. Transport Mikron will be used at the main entrance, mechanical rooms and public washrooms. Advion Ant Gel will be used in the classrooms, if warranted. Catchmaster Glueboards will be used in the boiler room and in the closets/cabinets where there is no access by children.
