

Team photographs will be taken on Sunday, 9/19/21 at Pleasant Lane E. school.

This year we will be implementing a new, paperless system, which means we will not ask you to hand out pre-pay envelopes. All interested players will have their individual photo taken and parents will be able to view images online by noon on 9/22/21.

They will need to do the following:

1. Download the Photo Day App ←-Looks like this
2. Text "LPDSOCCER21" to 90738

They will then be notified when their images will be ready to view and order. All final images will be mailed directly home.
