Lombard Park District Holiday Special Events

Tis' the season to be jolly! Lombard Park District has just what you and your family need to be jolly this holiday season. Staff is getting ready for the holidays with an assortment of winter festivities all month long starting with the annual Jingle Bell Jubilee event on Saturday, December 3 in Lilacia Park. Enjoy the lighting ceremony at 5:30p followed by a visit from Santa Claus, hot chocolate, cookies, giveaways and more.

A favorite event, Jingles' Holiday House Decorating Contest returns for a little friendly competition! Houses participating will be added to the Holiday Lights Map, so families can drive around town and take in the sights of the holidays! The community will vote on houses entered in the contest and winning houses will receive a prize. A downloadable map will be live at lombardparks.com beginning Friday, December 2.

Each weekend throughout the month of December, visit Lilacia Park's Holiday Lights as children can visit with Santa Claus and their favorite holiday characters, and enjoy a spectacular show with complimentary hot cocoa and cookies.

To explore all of Lombard Park District's holiday events and programs, visit the online Winter Activity Guide at lombardparks.com.
