

**Miss Karen and Miss Anna
Room 5- Senior News**

In February we will be busy with many creative projects for Valentine's Day. Keep an eye out for a special surprise coming to you the "old Fashioned" way, in the mail.

This month we will start working on recognizing our last names at arrival each day. This will expose us to learning many more letters of the alphabet in a meaningful way and help us learn our last names, if we do not know them already.

When we learn about Community Helpers, we will be busy learning about many jobs people have, and draw on experiences, to share what information we know regarding these jobs. We will be illustrators and authors and create a book about community helpers we can read at home. We will also enjoy pretending to be the different people we are learning about.

Please be on the look out for our weekend journals to continue this month. Each weekend 2 friends will take home a journal and write about what they did with their favorite stuffed animal friend.

Show and tell for February

Please bring a stuffed animal for show and tell February 3. We will tell everyone about our stuffed friend and put it back in our bag.
