AT A GLANCE

Kiddie Campus Preschool offers students a warm, nurturing environment through a state-licensed program. Children participate in a developmentally appropriate curriculum designed to help them grow socially, emotionally, academically and physically. Our continuous program provides the basis for future reading and writing skills and includes activities in the areas of music, art, language development, science, math, and gross and fine motor development. Students venture on field trips throughout the year. **Please note: children must be able to use the toilet independently.**

REGISTRATION INFORMATION

Kiddie Campus Preschool's lottery registration system for the 2023 - 2024 school year is February 8, 2023. Once a child is registered for the program, he/she has the option of continuing throughout the year. This system will ensure a smooth registration and give each child an equal chance to enroll for preschool. Please adhere carefully to registration dates and deadlines. For general and enrollment information, please contact Preschool Coordinator, Karen Stanley at kstanley@lombardparks.com.
