**Welcome Back! We hope that everyone enjoyed their spring break!**

**March Favorites:** We talked about construction and how things are built and who does the different jobs. We enjoyed our Space adventures and learning a little about the stars and planets. We learned that the sun is actually a star! We liked saying the rhyme about going on a rocket ride. Making space pictures with glitter and stars was a highlight too. During Rainbows & St. Patrick's we liked making pots of gold! We read a lot of cool books this month, and loved the space items and astronauts in the sensory table. We continue to practice our name and writing, counting, recognizing letters as well as shapes and colors in a variety of activities. **Please continue to practice these skills at home as well to reinforce their learning.**

**April Birthdays:** Harshad, Luca, and Everly We hope that you have a wonderful day!

**April Themes:** Bunnies and Chicks, Bug Week, Earth/Gardening, Farm Week, Open exploration of Ocean

**Important upcoming dates:**

**April 24<sup>th</sup>-Cosley Zoo field trip for M/W/F class**  
**April 25<sup>th</sup>-Cosley Zoo field trip for Tu/Thur classes**

**Other important Items:** The weather is beginning to warm and we will be going outside daily. Please make sure your child is dressed appropriately. With warmer weather comes soggy playgrounds. Please make sure there is a change of clothes that is seasonal appropriate in your child's backpack just in case. The weather change also brings its own set of germs; good handwashing is our best defense. Thank you for helping your child with this and for keeping them home when they are sick.

**-PICK-UP & DROP OFF:** Class starts at 9:00 a.m. and 1:00 p.m. Please make sure your child is here **ON TIME** so that they do not miss out on any activities or disrupt the class during an activity. The teachers will go inside the classroom by 9:05 and will not be able to come to the door to get your child. You will have to walk them inside the main doors and up to class. If the class is in the middle of an activity, please knock and wait until the teacher is able to come to the door. Class ends at 11:30 and 3:30. **Please be here by this time to pick up your child.** The children do get upset when they do not see their parent. A late fee will be applied starting at 11:35 and 3:35.

**-Please E-MAIL** us when your child will be absent, even if they are not sick. Thank you!
