

Kiddie Campus News

Baby Needs Pantry: The week of April 15, we will be accepting donations of new and gently used baby items for the Community outreach program of Lombard. Please donate diapers, wipes, formula, baby food or any gently used clothing. This program was housed at the First Church of Lombard, before moving to the Community Outreach Program, and it has been a long-standing tradition of Kiddie Campus Preschool to help this much needed program.

Any donation would be greatly appreciated!

Rose Pest Solutions: Rose Pest Solutions will be here on Friday, April 19 for their monthly inspection.

Classroom Fieldtrips: All classes will attend their age specific field trip at the end of April. Permission slips with specific information will be sent home.

Enroll Today: If you, or someone you know, is interested in preschool, there are still spots available. Registering now ensures that you will have a spot in preschool for next school fall and may still possibly receive your first choice.

Please contact Karen Stanley, Preschool Coordinator for more information.
