

Miss Karen and Miss Anna  
Room 5 news

Time flies when you are having fun and it has been a really fun year of learning! The children have really grown and become more independent this year. We have really enjoyed having them in our class!

The children are willing to try different things: a food they have never eaten before, a messy project they were a little unsure about, how to ask a friend to play. They are willing to try writing something, even if a mistake is made. They are learning how to be more patient and understanding of others and themselves. They fill their folders with paperwork in cubbies, put on jackets, zip or try to zip and work on other self- help skills. All of these important milestones, will be very helpful when entering Kindergarten, next year. Please have them fill backpacks with folder and other projects at the end of the day, to get them ready for next year, as it will be their responsibility.

It is amazing how quickly this school year flew by. With the little time we have left, we have a fun month of activities to keep the children excited and engaged, with thoughts of summer looming in the air. **Please keep your calendars handy.** Most days in May your child will be responsible for wearing or bringing something to school.

**Literacy**

- Planting a Rainbow-Lois Ehlert
- What Mom's Do Best
- A Rainbow of My Own
- Pete the Cat and the Treasure Map
- Kindergarten, Here We Come
- Countdown to Kindergarten
