No other additions can be made during the season. Failure to turn in roster will result in removal from league.
2. Rosters are limited to 20 players. All players must bring proof of identification to every game. If a player does not have their ID or they are not on the roster, they are considered illegal. If a roster check is called for by either team, all players on both teams will be checked and must provide an ID.
3. Team members must wear the same colored shirts.
4. All umpires decisions will be considered final. No protests will be allowed, except for eligibility questions.
5. The Lombard Park District does not assume responsibility for any type of injury or loss of property.
6. The Lombard Park District and/or league supervisor reserves the right to change team names or refuse entry of any player, sponsor, spectator, or team if in our opinion it is contrary to Park District ordinances, rules, or philosophies.
7. A ten-minute grace period will be allowed for the first game played every day/night only.
8. If a game is tied at the end of seven innings and there is still time remaining in the 60 minute time limit, international tiebreaker rules will be used for all future innings.

9. Result sheets will be final. After each game, the winning team captain must sign off on the results. If there is no signature, the results cannot be contested.
10. A team may start or end with 9 players. If a player is ejected and this brings the team to 8 or fewer legal players, the game is considered a forfeit. If a player is injured the team can play with 8 players, but the injured player's batting position will be considered an out.
11. No metal spikes will be permitted in any league.
12. Smoking is not permitted on softball fields, dugouts, and surrounding area.
13. If a ball hits any object (tree, light pole, fence, etc.) other than the outfield fence or foul pole, the ball will be ruled a foul ball dead ball. The batter will receive a strike as they would with any other foul ball.
14. Ejections/leavers count as an out in batting order if the team cannot provide a sub. If a player is ruled injured and cannot continue, he will not be considered an out as long as the team is still batting a minimum of 9 players.
15. A strike zone mat will be used to call balls and strikes. Legal pitches striking any portion of the mat will be strikes. If the ball only touches home plate, the pitch will be called a ball. The strike mat will not be used as an extension of home plate for base running or force outs.
16. Any player who slides into a base being covered by a player must avoid contact at all costs. Rough play in this situation is grounds for immediate ejection.

Violation of any rule may result in forfeit and/or removal from league without refund.

***After league rules, ASA rules apply.**

Conduct

If an umpire does not act appropriately, or if there is consistently poor officiating and/or knowledge of the rules, please contact the Program Manager. Each batter begins with a 1-1 count.

League	Pitching	Bases

If the time limit has been met and the game is tied then it will be ruled a tie.

A game called by the umpire due to rain will be considered regulation if five or more complete innings have been played (4 ½ if home team is winning). If fewer innings have been completed the game will be rescheduled and start over from the top of the first inning. In the rescheduled game, the score as of the last fully completed inning will be included.

Games will be rescheduled on regular game days. Every effort will be made to give one week notice for rescheduled games.

Teams should be prepared to make up games on alternate week days/weekend days when deemed necessary by the Athletic Program Manager.
