

**Senior Class News room 5
Ms. Karen and Ms. Cathy**

Daily School Routine

Welcome to room 5!

We are excited to have your child in our classroom this year. We will begin the year getting to know the friends in our classroom and learning the classroom routines. We follow a consistent daily schedule which helps the children navigate the day and know what to expect. Please see our daily schedule posted in the hallway, so you know what is happening each day. Please take a picture so when talking about school later that day, you can help your child remember what activities happened at school. The children are so busy in a day, they may not remember all of the things in which they participated.

Home Routine

Please plan a time each day when you check backpacks to see if your child has brought anything home. Keep calendars in a place that can be checked before the next class to see if anything is needed for school. Share your calendar with your caregiver so they know what is needed in case the morning was extra busy. Get an early start on a good school routine so your child learns that school is important and they know you are excited to hear about what they are doing at school.

If you need anything please contact me.

In our classroom we will encourage your child to do various activities for themselves to help encourage a positive self-esteem and to learn they are capable.

Self-help skills:

- putting belongings in cubby
- putting coat on for outdoor play
- washing hands properly
- taking care of bathroom needs
- cleaning up toys after playing
- Using all art supplies-glue, scissors, crayons and paint, making decisions about how to create a project
- Putting own shoes on when needed (we can tie)

Extra Clothes

Please send extra pants, shirts, underwear and socks in your child's backpack, in case it is needed.

There may be a juice spill, wet slide, accidental splashing in the water table or a bathroom mishap.

Better to have it, than have to wait for someone to be called and have to bring it to school. Thank you!
