Special Favorites: Once again, we had some favorite things going on last month. We enjoyed making our shape/color books as well as our counting book and hope that you have enjoyed them at home. Please continue to practice with them often! During number week we counted everything! We are getting better at counting our calendar numbers! Pumpkin and leaf week was a hit with lots of fun things to do with pumpkins and foliage. We also learned about cats, bats and owls and what the word nocturnal means.

November Theme: Everything Sleeps, Being a Good Neighbor and Thankful weeks

Mittens, Hats, and socks donations: We will be taking **NEW** socks, hats, and mitten donations the week of November 11th-15th for the community program. More information to come!

Arrival: Please remember to line up at the outside door at 8:55. We will open the door at that time and will be there until 9:00 and then proceed to get ready for our day!

October Birthdays: Abraham and Aarna. We hope you had a wonderful day!

Notes: There will be **NO SCHOOL** on November 27th, 28th, and 29th for Thanksgiving break. Thank You to all the families that brought in items for the fall fest!

With the weather changing, please have a weather appropriate change of clothing in your child's backpack and if they wear any type of boots, please have a pair of shoes to change into, as well. It is hard for the children to sit and move in the winter and rain boots. They will also need hats and mittens. Thank you!

It is cold and flu season, so please keep your child home if they are showing any sign of sickness. We have been reminding the children to please keep their hands away from their noses and mouths here at school to prevent the spread of germs. If you notice them doing this at home, please remind them to keep their hands away from their nose and use a Kleenex, to help prevent the spread of germs. Thank you for helping keep everyone healthy!
